

Around Our Town

Newdale Newsletter

Volume 9, Issue 1

May 2023

Remember -
our fallen heroes.
They are the reason
that we are free.

Wishing all a happy upcoming Memorial Day! We hope spring is here to stay. The city would like to invite our community to get together for a little picnic and time to visit with each other before the busy summer begins. The City will provide hot dogs and drinks for the picnic and ask each family to bring a potluck dish. It will begin at 6:30 pm on Monday, June 12. We will accept donations for the fireworks at this time also.

INVITE YOUR FRIENDS AND NEIGHBORS!

Time to Celebrate!

"Newdale Fireworks July 14, 2023"

We have made arrangements with the Fremont County Landfill to take any yard waste (trees, leaves, grass clippings) free of charge from **May 30 - June 3**. All other garbage will be charged according to the County Landfill Disposal Rate.

It has been reported to the city that residents are being annoyed by barking dogs, daytime and nighttime. Please be aware that this is in violation of our city dog ordinance. This is a misdemeanor and can be punishable by a fine, and/or jail time.

PLEASE BE A GOOD NEIGHBOR!

NOTICE

At one time in the City of Newdale we had our own cemetery that was owned by the City. The people that were buried in the cemetery were moved to other cemeteries and Newdale Cemetery was incorporated with Teton Cemetery and it became the Teton-Newdale Cemetery. The 2.5 acres that was once the cemetery is going to be sold or the property exchanged for property of equal value. If you are interested in purchase or exchange of the property, contact the city.

**We may sound like a "broken record",
however speeding on our streets has got to
Please observe speed limit signs!!**
