

Around Our Town

Newdale Newsletter

Volume 6, Issue 1

January 2020

We are pleased to announce our newly elected City Council members. Your new Mayor is Dal Schwendiman. Council members include Chad Stevens, Raymonda Furness, Kevin Torgrimson and Joseph Powell. Our City Clerk is Susan Lott and our City Maintenance is John Briggs. We are looking forward to serving the community in the next years to come.

Just a reminder of our snow removal policy in Newdale.

- ✓ City residents are reminded not to plow snow from driveways onto or across public roads.
- ✓ The city residents are reminded to remove parked vehicles from city right-of-way to assist in snow removal.
- ✓ Accidents and damages caused by snow piles placed in the roadway may result in liability to the property owner. Piles of snow increase the chances of drifting snow onto the roadway.
- ✓ If you leave anything parked on city roadways, a notice will be attached to remind you to remove that item. Violators will be towed.

\$ FYI – The City has been **\$** looking into the option of having the means to pay your utility bill electronically. There are fees to the City associated with that and we would have to pass that cost on to you. We have decided not to do that at this time. You can go to your personal bank's web page and set up Bill Pay with your bank and they will send the payment to the city for you at no cost.

It has been suggested that we give our citizens the opportunity to “Adopt A Tree” at the park to decorate with lights for the Christmas 2020. It would involve furnishing lights for one tree and be the responsibility of the citizen to make sure the lights are on the tree at a reasonable date before the holiday season. The City will provide extension cords for this project. Please let us know if you are interested by July 2020.
