

# Around Our Town

Newdale Newsletter

## Thank You!

We appreciate everyone's patience and consideration to the contractors who are upgrading our shelter and playground area. Just to be clear, we will still have our slide, merry-go round and swings, along with the new playground equipment which should be installed sometime in august.

*REMINDER: Permits are required by Fremont County for any burning. Burning other than in a fire pit is not allowed in the city. Make sure all fires are extinguished when you are finished. Remember that leaves and grass do not burn well, they only smoulder and cause bad air quality and annoy your neighbors!*

Many have inquired about the dumpsters we have previously put out for June Clean-Up. Due to the cost last year of approximately \$5,000, we chose not to use your tax money to bring in the dumpsters this year when people do not follow regulations; such as dumping tires, etc. We have made arrangements with the Fremont County Landfill to take any yard waste (trees, leaves, grass clippings) free of charge from **June 22-June 26**. All other garbage will be charged according to the County Landfill Disposal Rate. You must show proof that you live in Newdale to qualify for the free yard waste disposal on these dates.

## *Time to Celebrate!*

*"Newdale Fireworks July 9, 2021"*

*We are taking DONATIONS to make this a fantastic show. We need at least \$5,000 to reach our goal. Please help by sending money in a separate check. You can drop it off in the city drop box by the post office. We will track it and keep you up to date on our progress.*

**FYI: We have had some reports of incidents in our community. Keep your home place safe by locking your homes and your cars.**
